

Bonatti, je t'aime

Concept: Elena Pisu

Production: Stalker Teatro

Support: Ministry of Culture

Support in residency: Officine Caos / Kulturfactory / Cie Les3Plumes

Light design and props: Andrea Sangiorgi

Text: Walter Bonatti - Elena Pisu

Running time: 40 min

Climber, explorer, adventurer, journalist, Walter Bonatti has been a superhero of its time.

I am not an alpinist, nor an explorer.

I fell in love with Bonatti as a total novice, in love with the myth, the man of the impossible missions.

He is the antithesis of all that I am; and the more I dug into his story, the more I got captivated by his vision, his curiosity, imagination, and sense of beauty.

Bonatti was a scrupolous archivist of his materials: photos, journals, ropes, climbing boots... A trace of time, left in a precise order.

In between the traces left by the handsome man I will never know, I let myself be guided in the telling of a story, in words and dance.
